

I (we) elect to remove the escrow account for the disbursement of property taxes and/or insurance. By signing this form, I (we) understand that all future payments of property taxes must be paid timely to the taxing authority and that I (we) must also maintain property insurance at all times. If my property is located in a required flood zone as designated by the Federal Emergency Management Agency (FEMA), I must also maintain an active flood insurance policy at all times. If the property taxes are not paid timely, Caliber will pay them and establish an escrow account for future tax payments. If your property insurance is cancelled or expires and no new policy is received, a lender placed insurance policy may be purchased for your property. If this occurs, an escrow account will be established for the premium we pay and to collect for future insurance payments due. I (we) acknowledge that any escrow advance balance must be paid in full before this form is submitted and the escrow account is removed.

Once all borrowers have signed this form, it may be sent to the address below or faxed to 770-859-3292. Upon Caliber's receipt of this form, your escrow account will be removed, if eligible, and any remaining escrow balance will be refunded to you within 30 days. You will be notified by letter once your escrow account has been removed or if your request has been denied.
